Meatloaf
Mashed Potatoes
Peas
Watergate Salad

September 25th

Chicken Casserole
Slaw
Fruit
Ice Cream Sundae

Menu items are subject to change

Grandma's Kitchen Benefit Dinner, August 14

Join us at Grandma's Kitchen on August 14 from 5:00 p.m. - 6:15 p.m. for a dinner benefitting Caroline Williams. Caroline is a six-year-old starting kindergarten at Milton-Union this fall. In addition to having a genetic disease called Cystic Fibrosis, Caroline is also autistic. Autism has significantly limited Caroline's ability to speak. Despite being in speech therapy since age two, Caroline still has never been able to have a spoken conversation with her parents.

All proceeds from the meal and any additional donations from our guests will go towards helping fund an AAC speech device for Caroline. An 'augmentative and alternative communication' (AAC) device is a tablet with speech-generating software. This device will allow Caroline to select images to form sentences and statements that the device will speak out loud for her.

The AAC would allow Caroline to communicate with others, reduce safety concerns and allow her to reach her fullest potential in the classroom. We hope the funds raised will help Caroline start Kindergarten at Milton Union with her own AAC speech device this fall.
